

Reflexive Pronouns

CEFR A2

Lesson Pack · summary, worksheet & answer key

Quick answer

Reflexive pronouns (myself, yourself, themselves...) have two main uses:

- 1 Subject = object — She cut herself; They enjoyed themselves.
- 2 Emphasis — I'll do it myself; The chef himself served us.

'By myself' = alone/without help. Don't add a reflexive after wash, shave, dress, feel, relax, concentrate.

At a glance

Subject	Reflexive
I	myself
you (one)	yourself
he / she / it	himself / herself / itself
we	ourselves
you (plural)	yourselves
they	themselves

Learning objectives

- Can use reflexive pronouns when subject and object are the same (CEFR A2).
- Can use reflexives for emphasis and 'by + reflexive' for 'alone'.
- Can avoid reflexives after verbs like wash, feel and relax.
