Lesson Pack · summary, worksheet & answer key

Quick answer

Same words, three different meanings — check what follows and the meaning:

- 1** used to + base verb — a past habit, now finished (I used to play tennis).
- 2** be used to + noun/-ing — accustomed to (He's used to the cold).
- 3** get used to + noun/-ing — becoming accustomed (I'm getting used to it).

'used to' = base verb (past only). 'be/get used to' = noun or -ing (any tense). Don't drop the 'to' before the -ing.
