Lesson Pack · summary, worksheet & answer key

Quick answer

Irregular verbs don't add -ed in the past. Learn three forms for each:

- 1 Base — go, see, buy.
- 2 Past simple — went, saw, bought.
- 3 Past participle (with have/be) — gone, seen, bought.

Use the past simple for finished actions (I went) and the past participle after have (I've gone). Some verbs keep one form (put/put/put); many follow sound patterns (sing/sang/sung).
