

Present Simple

CEFR A1

Lesson Pack · summary, worksheet & answer key

Quick answer

The present simple (base verb, or verb + -s for he/she/it) is for things that are generally true.

Use it for:

- 1 Facts and general truths — Water boils at 100°C.
- 2 Habits and routines — She walks to work every day.
- 3 Timetables and schedules — The train leaves at 6.

For something happening right now, use the present continuous instead — She's walking to work at the moment.

At a glance

Form	Structure	Example
Affirmative	subject + base verb (+ -s for he/she/it)	She works in Girona.
Negative	subject + don't/doesn't + base verb	They don't work on Sundays.
Question	Do/Does + subject + base verb?	Do you work here?
