

Prepositions of Time: at/on/in

CEFR A2

Lesson Pack · summary, worksheet & answer key

Quick answer

For time, the three main prepositions go from smallest to largest:

- 1** at — clock times and points (at 7, at midnight, at the weekend).
- 2** on — days and dates (on Friday, on 1 January).
- 3** in — months, seasons, years, parts of the day (in April, in winter, in the evening).

No preposition with today, tomorrow, yesterday, next/last, every: I'll call you tomorrow (not 'on tomorrow').
