

A few, A little & Enough

CEFR B1

Lesson Pack · summary, worksheet & answer key

Quick answer

Small-quantity words depend on the noun and on whether the sense is positive or negative:

- 1 a few / a little — a small, positive amount (a few eggs, a little milk).
- 2 few / little — a negative 'almost none' (few options, little hope).
- 3 enough — as much/many as needed, for both (enough time, enough seats).

'a few/few' go with countable plurals; 'a little/little' go with uncountables. 'Enough' goes before the noun (enough money) or after an adjective (warm enough).
