

# Much, Many & A lot of

CEFR A2

Lesson Pack · summary, worksheet &amp; answer key

## Quick answer

Three ways to talk about quantity, chosen by the noun and the sentence:

- 1 much + uncountable (much water), mainly in questions/negatives.
- 2 many + countable plural (many cars), mainly in questions/negatives.
- 3 a lot of / lots of + both, natural in positive sentences.

*Ask with how much (uncountable) and how many (countable): How much time? How many people?*
