

This, That, These & Those

CEFR A1

Lesson Pack · summary, worksheet & answer key

Quick answer

This, that, these and those point to things by distance and number:

- 1 Near — this (one), these (more than one).
- 2 Far — that (one), those (more than one).

They can come before a noun (this car) or stand alone (This is nice). Singular: this/that; plural: these/those.

At a glance

	Near	Far
Singular	this (this book)	that (that car)
Plural	these (these shoes)	those (those birds)

Learning objectives

- Can use this/these (near) and that/those (far) correctly (CEFR A1).
- Can match singular (this/that) and plural (these/those) to the noun.
- Can use demonstratives as determiners and as pronouns.
