CEFR A2

Lesson Pack · summary, worksheet & answer key

Quick answer

Different modal patterns for asking, offering and suggesting:

- 1 Request — Can/Could/Would you...? (Could you open the window?).
- 2 Offer — Shall I...? / Can I...? / I'll... (Shall I help?).
- 3 Suggestion — Shall we...? / Let's... / Why don't we...? / How about + -ing?

Could/Would are more polite than can. 'Shall I/we...?' is common in British English for offers and suggestions.
